JULY 1986

### New Construction on S. 18th Street

Overlooking Highway 55 at 2927 & 2929 S. 18th St. (just north of Crittenden) two new single story, ranch style houses are being constructed by Jurcico (Frank Jurcic and George **Sousan**). These dwellings are single family, two bedroom units with vinyl siding on 3 sides and brick veneer in front. Needless to say, their architectural style contrasts sharply with all existing buildings in our neighborhood. The BPA has attempted to block this construction and has voiced to Jurcico its disapproval of this style of housing in our neighborhood to no avail. To those interested in further emphasizing the neighborhood's concern with this project and/or discouraging future construction of a similar nature in the **Benton Park** neighborhood, Jurcico representatives may be contacted at 544-4063.

### Vice-Presidential Nominations

Gretchen Karros of 2102 Arsenal was nominated to the office of vice-president at the June BPA meeting. Additional nominations, if any, will be heard and the election for this office will be held at the July BPA meeting.
