SEPTEMBER 1986

EARLY CHILDHOOD DEVELOPMENT

For interested parents, ~~parents-to-be~~ or relatives of children between the ages of 0-3 years, Lori Geisman-Ryan of the Parent/Early Infant Center **will** speak at our next BPA meeting. Her presentation will expand on the topics mentioned in the attached flyer and **promises** to be very informative. I urge **all** Benton Park Neighborhood parents, both current and future, to seize **this** opportunity to learn of a program which could contribute significantly to your child's development.

THIRD DISTRICT POLICE PICNIC

The Association of South Side Neighborhoods (ASSN), of which the BPA is a member, is hosting a picnic in appreciation of the Third District Police Department. The purpose of **this** picnic is to **thank** the officers for the time and effort expended in making our community a safer place and to begin developing a stronger rapport between the police force and neighborhood groups. Food, drink and entertainment will be provided free of charge between the hours of 1-5, Sunday, September 28. If you are interested in attending, please contact Kevin Kelleher at 664-0776 for more information.

BENTON PARK NEIGHBORHOOD HOUSE TOUR '86

Details for the fall house tour continue to be worked out as the October 25 & 26 tour dates approach. Helping hands are always welcome if you have a little time and an interest in promoting our neighborhood. If so, please contact Kevin Kelleher at 664-0776.

BANNER NEWS

The street banner committee of Nancy Wheeler and Amy Lloyd has made considerable progress in turning our desire for street banners to a reality. Two designs, one of which is the BPA logo and the other a unique, colorful streamerlike design have been completed. Now efforts are being channelled to the raising of funds. Currently a September gathering at Richard Perry's of area business men and women sponsors is in the works. If you know of individuals or businesses interested in participating as sponsors in this project, please contact Nancy(771-3073) or Amy(865-4330).
