-Just across the intersection we welcome Nick Bommarito and the future home of Bommarito's Deli at 1924 Pestalozzi (SE comer of Salena & Pestalozzi). Nick is no stranger to the Benton Park Neighborhood **as he** has been renting deli space for some time next to Morand's Hardware at Pestalozzi & S. 18th Street. Nick's new home is currently undergoing renovation that **will** qualify it as a certified historic structure and should be open for business by the end of the year.
